## AMERICAN HEALTHTECH SESSIONS

### AHT Business Intelligence Learning Lab

Receive hands-on assistance customizing your AHT Business Intelligence dashboard(s) so you can make the most of your data. You will be logging in to your facility's EHR, so we ask that you bring your own laptop with VPN capability. Training laptops will not be available.

**Target Audience:** Clinical (Post-Acute), Executive (Post-Acute)

**Target Product(s):** AHT

**Continuing Education Categories:** AHIMA, Nursing, Physician, NH Admin

### AHT Care Planning

AHT Care Plans continue to evolve with added functionality and communication tools to ensure compliance and clinical documentation support. This session will cover how to implement AHT Care Plans in order to track outcomes and goals for the residents.

**Target Audience:** Executive (Post-Acute), Nursing (Post-Acute), Physician

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin, Nursing, Physician

### American HealthTech Business Update: Where We've Been → Where We're Going

Let's get together to review accomplishments over the successes and learnings from last year, what's happening right now, and what's on the horizon in terms of releases, new features, product integrations, support and services, and more. Plus, we'll share what's new and what's next from TruBridge services. Everyone is encouraged to attend this session.

**Target Audience:** All (Post-Acute)

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin

### Apple Health App Integration with CPSI

Empower your patients to make the most of their health data, conveniently located in the Apple Health app. Health has helped patients across the US advance their wellness by engaging directly with their healthcare providers. Join us to learn more about this dynamic tool.

**Target Audience:** All (Acute & Post-Acute)

**Target Product(s):** All

**Continuing Education Categories:** Physician

May 16 - 19 | St. Louis, MO

## AMERICAN HEALTHTECH SESSIONS

### The Basics of Clinical Form Documentation and Content Manager

Content Manager is essential to creating good clinical documentation in AHT. We will review the scheduling of the stock sets included, along with how to modify the documentation and scheduling at a basic level. This is part 1 of a 4-part series dedicated to Clinical Form Documentation.

**Target Audience:** Nursing (Post-Acute)

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin, Nursing, Physician

### Advanced Clinical Form Documentation and Content Manager

Content Manager lets you create organization-specific changes and clinical documentation specific to your preferences. This session will go beyond the basics of the stock set and dive into the creation and customization of your forms. This is part 2 of a 4-part series dedicated to Clinical Form Documentation.

**Target Audience:** Nursing (Post-Acute)

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin, Nursing, Physician

### Clinical Form Documentation: How to Document

Part 3 of a 4-part series dedicated to Clinical Form Documentation, this session will show the benefits of scheduling and customization from the user perspective, and how they are applied in the staff workflow.

**Target Audience:** Executive (Post-Acute), Nursing (Post-Acute), Physician

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin, Nursing, Physician

### Clinical Form Documentation: Clinical Decision Support

Clinical Decision Support prompts your staff with evidence-based processes predicted by user documentation of observations, resulting in more efficient care. This is 4th and final part of the series on Clinical Form Documentation.

**Target Audience:** Executive (Post-Acute), Nursing (Post-Acute), Physician

**Target Product(s):** AHT

**Continuing Education Categories:** NH Admin, Nursing, Physician

May 16 - 19 | St. Louis, MO

## AMERICAN HEALTHTECH SESSIONS

### Clinical Roundtable - Vision Session

Join us for a roundtable discussion where we'll share key benefits and features of the most recent AHT product releases, provide insight into the 2022 AHT product strategy, and talk about what's next.

**Target Audience:** Clinical (Post-Acute), Physician

**Target Product(s):** AHT

**Continuing Education Categories:** Physician

### Content Services: A Look at the Resources You Didn't Know Existed

CPSI's Content Services team not only develops content that helps inform the care you provide, but also identifies resources that enable you to create documentation policies specific to the needs of your facility and community. In this session we'll review the tools and information provided in CPSIQ, then discuss how you can utilize them to meet your needs.

**Target Audience:** Nursing (Acute), IT Services, Physician

**Target Product(s):** All

**Continuing Education Categories:** Nursing

### CPSI Advances Customer Excellence

Learn more about what Customer Excellence means at CPSI, and how our commitment to it benefits you. Understand how we are eliciting valuable customer feedback, what we are hearing, how we are responding and how you can participate.

## AMERICAN HEALTHTECH SESSIONS

### Payment Driven Payment Model (PDPM) for Classifying SNF/Swingbed Patients in a Covered Part A Stay

This session is packed full of valuable information, including how to identify why diagnosis coding requires competent expertise, how the ICD-10-CM codes are utilized by the new payment system, and how the Clinical Category Mapping is utilized. In addition we'll explore which PDPM 'buckets' the diagnostic code is using and share recommendations related to the best utilization of the ICD-10-CM codes. Join us to find out other must-know insights.

**Target Audience:** Business Office/Financial, Executive, HIM

**Target Product(s):** AHT

**Continuing Education Categories:** AAPC, AHIMA, Nursing, NH Admin, Physician

### Physician Burnout: Is the EHR a Cause, a Solution, or Both?

Physician burnout has been a recognized problem in US healthcare systems for decades and has been exacerbated by the recent pandemic. This session reviews the scope of physician burnout and how to recognize it, then examines possible preventative measures and interventions, including the role of the EHR as both cause and potential mitigator.

**Target Audience:** Physician, IT Services, Executive

**Target Product(s):** All

**Continuing Education Categories:** Physician

### Protect Yourself Against Ransomware - (Security Series Part I)

It's unfortunate that we have to have sessions that help protect you from cybercriminals, but it's our reality today. So let's get together to talk about all things ransomware – what it is, the impact it can have and, more importantly, how to protect, detect and recover from it. Part one of a two-part series.

**Target Audience:** Executive, IT Services

**Target Product(s):** AHT, Centriq, Thrive

### Safeguard Your Organization from Social Engineering - (Security Series Part II)

The second in our Security Series, this session will define social engineering, discuss a number of social engineering techniques (some obvious, others not so obvious) and, of course, offer ways to protect your organization from hackers. We'll also take a closer look at Phishing and ways to identify, protect against and report it.

**Target Audience:** Executive, IT Services

**Target Product(s):** AHT, Centriq, Thrive
